Welcome to **ST GEORGE'S HALL**

Our Grade 1 listed neoclassical hall sits within the heart of Liverpool in more ways than one; it is a place of congregation and celebration, offering a true sense of the city amidst incomparable surroundings. It is the place where people come together to mark significant moments in time.

St George's Hall is proud to host all types of wedding celebrations from traditional white weddings, multi-cultural weddings, same-sex ceremonies and the renewal of vows. We have been privileged enough to play witness to some of the most spectacular and memorable events in history, and your big day will be no exception.

The GREAT HALL

With its impressive chandeliers, stained glass windows and spectacular barrel vaulted ceiling, there are few venues in the city so rich in history & grandeur.

The Great Hall simply oozes magnificence and provides a lavish interior and a setting like no other for wedding ceremonies and wedding breakfasts, with the option to enjoy an al fresco drinks reception amidst the impressive Corinthian columns - the perfect space for your wedding photographs.

The CONCERT ROOM

"The most perfect room in the world."

- CHARLES DICKENS

Breathtakingly beautiful, decorated in gentle tones of cream, white, honey and gold, the circular Concert Room, a romantic setting for your wedding day. An opulent crystal chandelier, walls lined with Goddess-like statues and angelic cherubs greets you and your guests whilst Ravenhead glass mirrors create stunning reflections around the featured stage, a perfect space for a string-quartet or pianist to enchant your guests.
